

AUEB/Erasmus+ Programme

Introduction Week

Dear Erasmus!

We are looking forward to welcoming you at AUEB in the next semester. We hope you are equally excited as we are!

For the fall semester of 2015, ESN Athens AUEB will organize the introduction week for you, as every year, in order to help you to adjust in Athens, to meet the other Erasmus students and the ESN members. The intro week includes cultural visits, like Acropolis or Lycabettus, a guided tour in our university and in Athens, games, parties, an amazing trip to the beautiful island of Mykonos and a lot of Greek food!!! The introduction week will start around 21st of September (21st or 22nd), and will finish with the Mykonos trip on 26th (or 27th) of September. The exact schedule will be announced approximately one month before.

Enjoy your summer and see you soon!

ESN Athens AUEB team.
